Completing an Ontario Advanced Diploma in Computer Programming and Analysis. I possess strong technical and interpersonal skills and the ability to work diligently in groups or individually.

Previous Employment

- **Saks 5TH avenue OFF 5TH** **Brampton**
Mens Wear February 2017–Present
Currently responsible for sales and upkeep of the mens wear department.
- **Buonanotte** **Downtown Toronto**
Host May 2017–Present
I was responsible for the seating plan for the nights dinner reservations and the organization of bottle service along with making sure clients were satisfied with their visit.

Education

Academic Qualifications.....

- **Seneca College** **North York**
Computer Programming and Analysis, 2014–Present

Notable Projects.....

- **Bridge to Grid:** 'Application made to connect people to various information hubs without the use of internet'
A hackathon project built with Python and Java. The application provides users the ability to access multiple information outlets such as Wikipedia, Weather, News etc. without the need for internet/data.
- **Inventory Management Application:** 'Development an application that manages items and prints bills'
A solo project built with C++. This application allows the user to add items into the system, with subsequent details needing to be filled out for each item added. The user can also view all items currently in the system, modify quantities, prices etc.

Technical and Personal skills

- **Programming Languages:** Proficient in: C++, Python, Java, MySql
Also basic ability with: C, PHP, HTML, CSS, Javascript
- **Industry Software Skills:** StarUML (Basic), Most MS Office products (Advanced).
- **General Business Skills:** Good presentation skills, ability to work well in a team.
- **Other:** Good at photography and photoshop, I have a keen interest in creating visually pleasing works of art.

Interests and extra-curricular activity

- As a amateur photographer, I often shoot at concerts for artists, from super stars like Drake, Future, Travis Scott, Skepta to up and coming local talent like Roy Woods and Nav.
- I'm also an avid athlete, I've played on various teams including my college's soccer team.
